Good afternoon,

Issue: SDG F7J36 requires Laboratory QC but there is no extra volume, and no sample was designated on the COC. The laboratory would like to proceed without Laboratory QC.

Resolution: Per Region 6, the laboratory will note the issue and resolution in the SDG Narrative and proceed without Laboratory QC.

Please note that the laboratory may contact the appropriate CLP PM should any defects need to be waived for this issue.

Best Regards,
Tasmia Zafar

Thank you,

Would the laboratory also confirm how many VOA/TVOA samples are in SDG F7J36?

Hello Tasmia – Please find out the total number of samples received by the lab. I believe I saw several samples with extra volume for lac QC.

Thank you,

Myra Perez
R6 CLP RSCC

Good morning,

Please advise on the below issue.

Issue: SDG F7J36 requires Laboratory QC but there is no extra volume, and no sample was designated on the COC. The laboratory would like to proceed without Laboratory QC.

Good morning,

Issue 1 : one SDGs F7J36 is open without lab QC. However, there is no extra volume received for Laboratory QC. The laboratory would like to proceed without Laboratory QC. Also, please confirm that the any SEDD defect associated to Lab QC will be considered Invalid. Case is completed.

Please see attachment for your reference.

Thanks & Regards,

Deepak Parmar
