Yazmeen

I am requesting a revision to the attached lab report Q1523 and EDD. I noticed that on Line 4 of our COC, we mislabeled a sample. The sample labeled WC-A2-02-C should be WC-A1-02-C (it corresponds with WC-A1-02-G)

As a result, the attached lab report (pages 15-24) and EDD have the incorrect sample IDs.

Can we get the lab report and EDD revised to reflect the correct sample ID?

Let me know if you have questions or need anything from us to make the change.

Thanks

Caroline Panico
