I just received an invoice 452482. The invoice was for BTU values which were not requested on the CoC. I also did not ask for PCB's.

Hi Byron,

Yes we are going by the tests requested on COC. Due to sample matrix type all the tests were not possible to run. Also our lab director had a conversation with someone at ERLLC when samples were delivered about what the lab can run, I thought that was you but maybe Ryan.

Regards,

Jordan

I also, want to make sure we are running the suite of tests off what is on the CoC. Not off what was bid. I didn't think I had requested PCB's either.

I am still missing a lot of TCLP results, oxidizer, peroxide. Total halogens, Total organic halides from the test results. Can you tell me the status on these?
