

NEW JERSEY LAB ID#:20012 : NEW YORK LAB ID#: 11376

**GENERAL CHEMISTRY CONFORMANCE/NON-CONFORMANCE SUMMARY**

CHEMTECH QC BATCHID: LB136660

|                                                                                                   | NA       | NO       | YES      |
|---------------------------------------------------------------------------------------------------|----------|----------|----------|
| 1. Blank Contamination                                                                            | _____    | <u>✓</u> | _____    |
| If YES, list compounds and concentrations in each blank:                                          |          |          |          |
|                                                                                                   | _____    | _____    | _____    |
| 2.Matrix Spike Recoveries Meet Criteria                                                           | <u>✓</u> | _____    | _____    |
| If not met, list those compounds and their recoveries which fall outside of the acceptance range: |          |          |          |
| MS MSD NOT ANAYZED AS NO ENOUGH VOLUME PROVIDED.                                                  |          |          |          |
| 3. Sample Duplicate Analysis Meet QC Criteria:                                                    | <u>✓</u> | _____    | _____    |
| If not met, list those compounds and their % differences which fall outside of the acceptance     |          |          |          |
| DUP NOT ANAYZED AS NO ENOUGH VOLUME PROVIDED.                                                     |          |          |          |
| 4. Analysis Holding Time Met :                                                                    | _____    | _____    | <u>✓</u> |
| If not met, list number of days exceeded for each sample:                                         |          |          |          |

ADDITIONAL COMMENTS:

Q2702-01 IS oil & grease mix matrix sample and q2725-01 is also cludy matrix.
