Hi Yazmeen – I didn't have VOC vials or enough metals bottles so I provided additional unpreserved bottles. Can you please transfer to the correct glassware? Also the Harper St soil is in a Ziploc so should be transferred to correct jars. Please expedite the August SPDES – the others can be standard TAT. Thank you Dean

Good morning Dean,

To clarify – did you need additional TCLP Parameters reported (10 instead of 7) or Total Metals?

Let me know and I will have QA/QC revise the upload the report asap.

Best Regards,

Yazmeen Gomez
