

NEW JERSEY LAB ID#:20012 : NEW YORK LAB ID#: 11376

**GENERAL CHEMISTRY CONFORMANCE/NON-CONFORMANCE SUMMARY**

CHEMTECH QC BATCHID: LB138178

|                                                                                                   | NA    | NO       | YES      |
|---------------------------------------------------------------------------------------------------|-------|----------|----------|
| 1. Blank Contamination                                                                            | _____ | <u>✓</u> | _____    |
| If YES, list compounds and concentrations in each blank:                                          |       |          |          |
|                                                                                                   |       |          |          |
| 2.Matrix Spike Recoveries Meet Criteria                                                           | _____ | _____    | <u>✓</u> |
| If not met, list those compounds and their recoveries which fall outside of the acceptance range: |       |          |          |
|                                                                                                   |       |          |          |
| 3. Sample Duplicate Analysis Meet QC Criteria:                                                    | _____ | _____    | <u>✓</u> |
| If not met, list those compounds and their % differences which fall outside of the acceptance     |       |          |          |
|                                                                                                   |       |          |          |
| 4. Analysis Holding Time Met :                                                                    | _____ | <u>✓</u> | _____    |
| If not met, list number of days exceeded for each sample:                                         |       |          |          |
| SAMPLE RECEIVE OUT OF HOLD.                                                                       |       |          |          |
