A banner for CHEMTECH. On the left, the CHEMTECH logo is displayed above the address: "284 Sheffield Street, Mountainside, New Jersey 07092", "Phone: (908) 789 8900", and "Fax: (908) 789 8922". Below this is a "50th Anniversary" logo with the years 1967 and 2017. The center of the banner shows a collage of laboratory equipment: beakers with colored liquids (blue, yellow, green, red), a centrifuge, and a pipette. On the right, the text reads "A Full Service Environmental Laboratory SINCE 1967" and "WBE CERTIFIED". Below the banner are three logos: the "50th Anniversary" logo, the "ANAB ACCREDITED" logo (with "DOHS-17028" and "DOD-ELAP" below it), and the "NELAP ACCREDITED TN1 LABORATORY" logo.

Go ahead and run S-5 AND S-3 for SPLP. Pesticides only - specifically DDE, DDD, and DDT – I do not need the other Pesticides reported.

Two samples. Reduced deliverables please.
