Subject: Unpreserved VOC samples - L4489 - L4490

Hi Khaja,
Please see the attached. As we have discussed, unpreserved VOC samples have only a 48 hour hold time. That being said the TB samples we have received are past hold time. The lab will proceed with analysis as we have done throughout this projects history based on your direction and include this in the case narrative. Thank you.

Regards,

Steven Chaimowitz
Project Manager
