DEAR YOGESHKUMAR PATEL,

Our records show that we do not have Social Security Numbers (SSNs) or Individual Tax Identification Numbers (ITINs) for you and/or your dependents covered under your policy.

Under the Affordable Care Act's reporting requirements:

- Horizon must provide information about your health insurance coverage with us to the IRS using your SSN or ITIN and the SSNs or ITINs of any dependents covered under your policy.
- You must verify on your federal income tax return that you, your spouse and your dependents had qualifying health coverage (referred to as "minimum essential coverage") for some or all months during 2023.

In addition, under New Jersey state law, residents must have purchased health insurance beginning **January 1, 2022**, or pay a penalty to the state. Horizon is required to report this information to the IRS and the state of New Jersey for 2023.
