They were supposed to be analyzed. Please refer to the chains. The air can chains you supplied did not have Carbon copies. Please send!

Thank you!

Hi Kelli,
I believe 6-liter cans were to be on hold pending 1.4-l results...Can you please check/confirm if these samples are to be activated?

Thank you.
Kevin

I have received soil gas and soil results so far. Any ETA on the 6L air cans?

Best,
