Hi Nick,

See the attached for MDL values for 8260.

Respectfully,

Samantha Beazley

Hi Samantha,

Thanks for letting me know. What MDL can you achieve in regular VO run?

Hi Nick,

I checked with the lab and there isn't any additional unpreserved volume remaining to sub out for the samples we received yesterday. The extra vials we have contain hydrochloric acid and sodium thiosulfate preservative.

Respectfully,

Samantha Beazley
Project Manager
